

GQ data directory

New Subject Tables - These data products provide certain characteristics for a subject of interest. The 2006 ACS includes four subject tables for the population living in group quarters.

S2601A - Characteristics of the Group Quarters Population profiles the total group quarters population, the institutionalized group quarters population, and the noninstitutionalized group quarters population for the nation, regions, and divisions.

S2601B - Characteristics of the Group Quarters Population by Group Quarters Type profiles the three major group quarters types and the total group quarters population for the nation.

S2601C - Characteristics of the Group Quarters Population in the United States profiles the total group quarters population for states with a group quarters population greater than 45,000. See the list of 35 states meeting this threshold below.

S2601C-PR – Characteristics of the Group Quarters Population in Puerto Rico profiles the total group quarters population in Puerto Rico.

01 - Alabama	21 - Kentucky	39 - Ohio
